Thank you Kristy,

Regarding the action items from the report:

We have added silt sock to protect the outlet structure and also spanned the gap from the silt fence at lot 10 to Baltimore Ridge Rd with silt sock. Please see attached pictures.

We tacked up falling silt fence , however with the ground being frozen we could not do a proper repair in some places. As soon as the ground softens we will replace broken stakes and buried fence.

Please let me know if you have any questions.

Thank you

Mike Cappuccilli
