

Monthly Updates – from the Mayor – March 2024

Since the minutes from our regular monthly Board meeting are not formally approved and posted on the Village website until the following month, it seems that our residents might be more fully informed of Village affairs by having regular updates posted on our website sooner, rather than later. To that end, it has been decided to provide our readers with some monthly updates, and if there are any concerns or a need for more information, please call (315-673-3112) or email the Village Office (clerk@villageofmarcellus.com).

DPW Updates – Since it has been a relatively warm winter, both the salt and winter repair budget line items are doing well.

Replaced floats and relays in Platt Road Pump Station

Removed 3 stumps on Reed Street

Marcellus Highschool students are continuing to work on their Independent Studies projects with the Village Highway and the Town Highway

New Sewer Contract has been received by the School – waiting to be signed

New F550 was delivered to the treatment plant. This truck was ordered two years ago. Part of the cost of the F550 was covered by a NYSDEC grant the Village received.
