APPLICATION FOR APPROVAL OF PROPOSED SUBDIVISION PLAT

17. The Applicant agrees the Applicant shall be responsible for providing all impact statements as required under the State Environmental Quality Review Act and for all costs incurred by the Planning Board in connection with this Application, including but not limited to the fees and disbursements of engineers, attorneys and other professionals used by the Marcellus Planning Board and/or the Village of Marcellus in connection with the subdivision described in this Application.

18. The Applicant has obtained a copy of those specifications required by the Village of Marcellus and has complied and shall comply in all respects with those specifications for the construction of the following improvements in the proposed subdivision:

- | | | |
|--------------------|--------------------------|---------------|
| Highways | Electrical Distribution | Fire Hydrants |
| Sanitary Sewers | Natural Gas Distribution | Street Curbs |
| Storm Sewers | Sidewalks | Landscaping |
| Water Distribution | Street Lighting | Monuments |
- All other items for which the Village has required specifications.

19. (An offer) (No offer) of dedication of any street or highway shown on the accompanying map is made.

20. There (are) (are no) existing structures on the land shown on the plat. All structures on adjoining properties are shown on the plat with dimensions from the property lines shown.

21. All easements and rights-of-way which affect the proposed subdivision are accurately set forth on the annexed plat.

22. All proposed streets, easements and rights-of-way proposed to be conveyed to the Village if this application is approved are shown on the plat as a proposed street, roads, sewer and drainage facilities, sidewalks, water lines and the like, and/or a proposed easement or proposed right-of-way.

23. The Applicant shall complete all required improvements before obtaining final approval, including without limitation monuments, or the Applicant shall enter into a written agreement with the Village to so complete such improvements, which agreement shall be satisfactory, in form and substance, to the Village Board.

24. FOR SUBMISSION OF SKETCH PLAN. The Applicant shall submit to the Village Clerk at least ten (10) days prior to a regular meeting of the Board, ten (10) copies of this Application and the sketch plan of the proposed subdivision, which shall comply with the requirements of the Subdivision Regulations. Applicant shall show all topographic features on adjoining properties which may effect or be effected by surface and spring water draining on the plat.

25. FOR SUBMISSION OF PRELIMINARY PLAT. Subdivider shall submit to the Village Clerk at least ten (10) days prior to a Planning Board’s regular meeting at least six (6) copies of the Application for approval of the preliminary plat, at least ten (10) copies of the proposed Preliminary Plat and two (2) copies of all other attachments (e.g., grading plans, erosion and sediment control plans, etc.). An application for Preliminary Plat approval shall not be considered complete until the required number of the Preliminary Plats and other documents are so received by the Planning Board.

26. FOR SUBMISSION OF FINAL PLAT. Subdivider shall, after the conditional approval of the preliminary plat, file with the Planning Board an application for approval of the subdivision plat in final form. Such application shall be accompanied by a non-refundable fee of FIFTY DOLLARS (\$50.00) per lot in the proposed subdivision and payment for all actual engineering costs incurred by the Village through the date of submission. If the final plat is not submitted within six (6) months after the conditional approval of the preliminary plat, the Planning Board may refuse to approve the final plat and require resubmission of the preliminary plat. A subdivider intending to submit a proposed subdivision plat for the approval of the Planning Board shall provide the Secretary of the Board with a copy of a final map in black line print, which
