# Using the EV Connect Mobile App

STEP 1

Download the free EV Connect 2 app on your smart phone.

STEP 2

Login or register to create an account.

STEP 3

Scan the QR Code or type in the Port ID, located on the station.

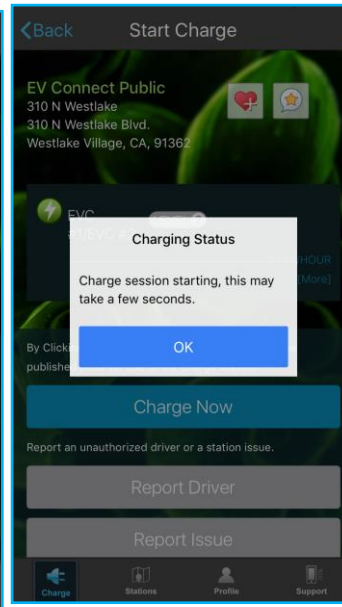

STEP 4

Press Charge Now

STEP 5

Choose a connector and plug in your vehicle. Give the station a few seconds to communicate to the platform.

STEP 6

Once charging, your screen will display the details of your session.
