The Planning Board meeting scheduled for May 18, 2022 was not held. The purpose of the meeting was for Marcellus Library to update the Planning Board on the Amphitheater.

Library Amphitheater- Jake Widrick from the Marcellus Free Library contacted the Village Clerk prior to the meeting to update the Village on progress made since the last meeting of the Planning Board held on April 27, 2022. Mr. Widrick stated that there had not been any changes to the plans presented at the last meeting, and the Library was completing the application process for State funding, which could take several months. There was no new information to present to the Board, therefore, Chairman Chapman decided not to request the Library to appear in front of the Board for an update at this time. The Library will keep the Code Official informed of progress and will appear before the Board when requested.

Respectfully Submitted by,

Charnley Abbott, Village Clerk
